## Chapter 1 by Gemma Pledge

Having cancer was never easy. Although when Jen had first heard the news of her cancer, she didn't imagine it would be. She had seen, films and documentaries about cancer, but watching a movie was nothing like actually being in the movie. She never knew that the day she went to get her annual mole check up, that her life would change forever. Jen's best friend Issy, took her out for a surprise birthday beach day, and that's where she got the sunburn. Issy still blames herself. She is not sure if she will ever forgive herself.
